

Remarks/Arguments:

Applicants' note with appreciation the Notice of Allowance dated March 24, 2004, including the Examiner's Amendment issued with that Notice. Applicants have reviewed the Examiner's Amendment and noted several errors. The amendments to claims 16, 20, 29 and 32 in this paper make corrections in those claims. No new matter has been added and no new issues have been raised.

Respectfully submitted,

Joshua L. Cohen
